## Learn to Skate

The Park Board Learn to Skate program focuses on skill development through games and activities. For your convenience, we offer ongoing registration. If a class is full, you can register immediately in the next available class. You may register in only one set of lessons at a time. A Riley Community Centre membership is included in your lesson registration. If you are unsure about which level to register in, one of our rink instructors can assess your skills during one of our Public Skate sessions. No refunds will be accepted after the second class of a session. An administration fee of \$4 will be charged for customer requested refunds. Please arrive 15 minutes before your lesson to allow time to put on skates. Children should wear warm clothes, gloves, and long socks. An extra pair of socks may be helpful as we do not have half sizes in rental skates. Skate rentals are not included in the lesson fee.
